

Branches of Biology

- 1. Study of body parts – Anatomy**
- 2. Study of Plant – Botany**
- 3. Study of Insects – Entomology**
- 4. Study of liver – Hepatology**
- 5. Study of Immune system – Immunology**

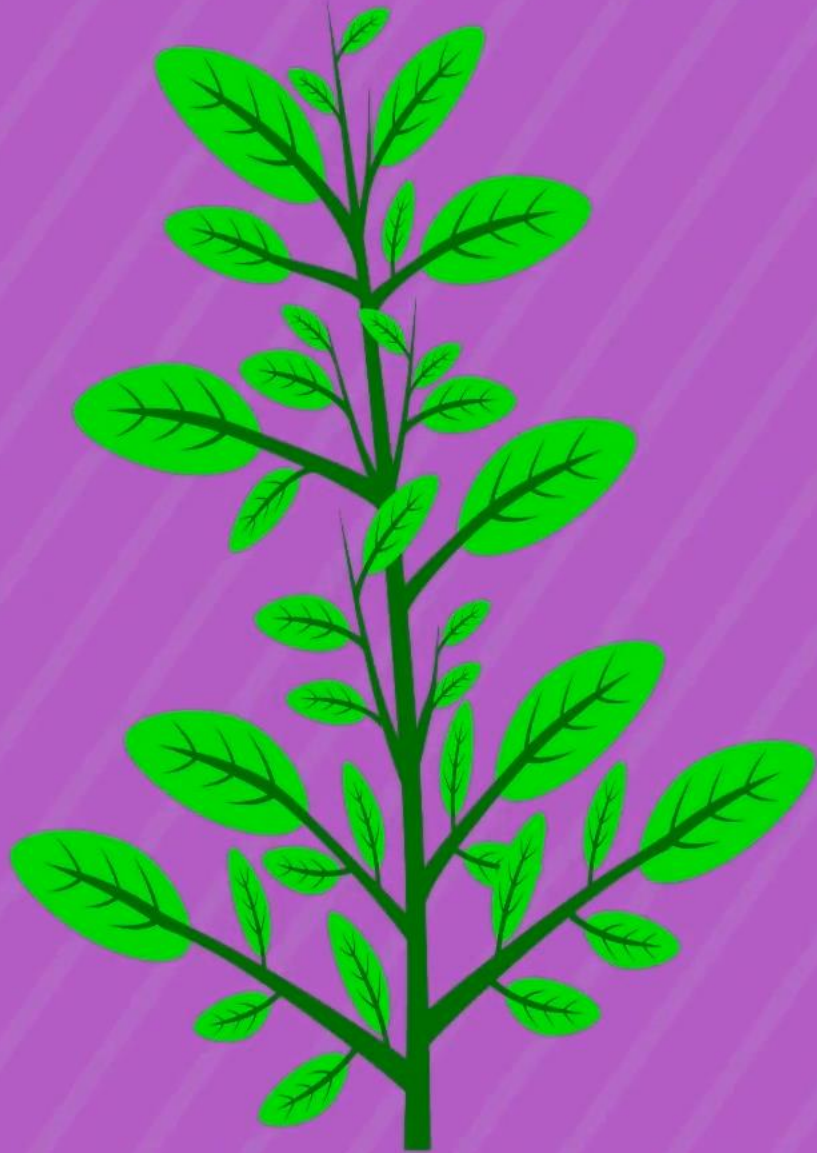

AAtoons Study

Study of body parts

Oncology

Study of Air

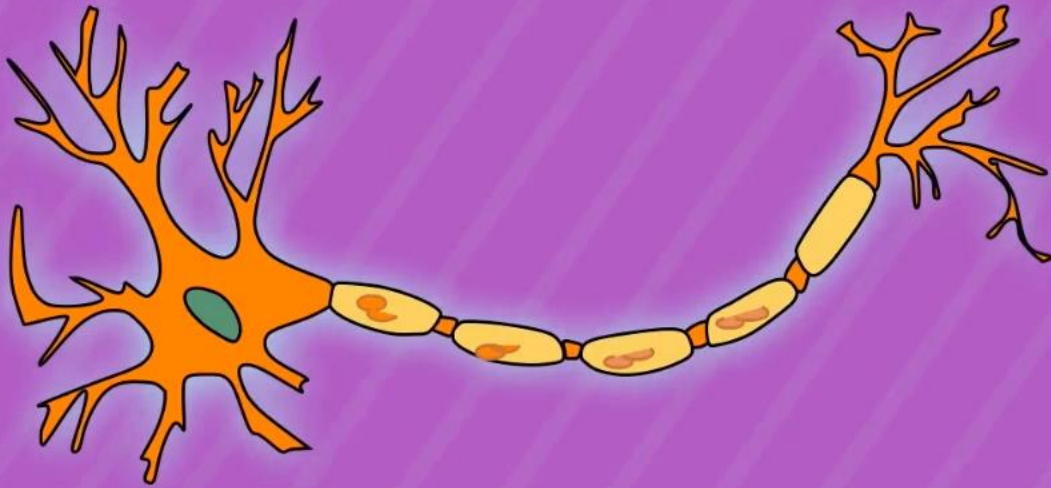

Aerology

Study of Cells

Cytology

Study of Birds

Ornithology

Study of Bones

Osteology

Study of Eggs

Oology

Study of Dream

Oneirology

Study of Hairs

Trichology

Study of Eyes

Ophthalmology

- 1. Study of body parts – Anatomy**
- 2. Study of Plant – Botany**
- 3. Study of Insects – Entomology**
- 4. Study of liver – Hepatology**
- 5. Study of Immune system – Immunology**
- 6. Study of Blood – Hematology**
- 7. Study of Fungi – Mycology**
- 8. Study of Algae – Phycology**
- 9. Study of Virus–Virology**
- 10. Study of Bacteria – Bacteriology**

11. Study of Kidney – Nephrology
12. Study of Cancer – Oncology
13. Study of Air – Aerology
14. Study of Cells – Cytology
15. Study of Birds – Ornithology
16. Study of Bones – Osteology
17. Study of Eggs – Oology
18. Study of Dream – Oneirology
19. Study of Hairs – Trichology
20. Study of Eyes – Ophthalmology
